

2. There are two "Buy" buttons. One is directly above the image, the other is in the upper right corner of the page. Click on either one of these "Buy" button.

The screenshot shows a web browser displaying a photography gallery. At the top, there is a navigation bar with links for Home, All My Photos, Search, About, Contact, and Wedding Information. The page title is "Home - All Photographs - Senior Portraits - Cody". A large portrait of a young man with short brown hair, wearing a dark grey sweater, is the central focus. A mouse cursor is hovering over a "Buy" button located directly above the image. In the upper right corner of the page, there is another "Buy" button, along with "Share" and "Slideshow" options. To the right of the main image is a grid of 33 smaller thumbnail images of the same subject. At the bottom of the main image, there is a watermark that reads "© 2012 Lindbloom Photography".

3. Click on the "Select product" button.

The screenshot shows a web gallery interface. At the top, there is a navigation bar with links for Home, All My Photos, Search, About, Contact, and Wedding Information. A user is logged in as 'lindbloomphoto'. The main content area features a large portrait of a young man in a dark sweater, smiling, with a background of autumn foliage. A context menu is open over the portrait, listing options: 'Add To Favorites', 'Select product', 'Save for purchasing', and 'View Cart'. A mouse cursor is hovering over the 'Select product' option. To the right of the main image is a grid of 33 smaller thumbnails of the same portrait. At the bottom of the main image, there is a copyright notice: '© 2012 Lindbloom Photography'.

Large 11" x 14" size print made on professional grade photographic paper.

You can select cropping and other options after adding photos to the Cart.

You can select from the following paper types:

E-Surface Color Paper

E-Surface Paper is our most popular photographic paper. Accurate color, lifelike skin tones, archival quality and a traditional photo finish are just a few reasons why customers love E-Surface Prints.

NOTE: B&W images will still print in black and white on this paper.

Fuji Pearl Paper

Fuji Pearl Paper uses a patented combination of film and laminate layers resulting in a striking metallic shine. Its ultra-bright backgrounds and smooth photo finish will make your special moments last a lifetime.

NOTE: B&W images will still print in black and white on this paper.

True Digital B&W Paper

True Black & White offers rich black continuous-tone prints, avoiding any tints of color. Perfect for all of your black and

8. Now you can see in the upper right corner that one 11x14 print has been added to your cart. Click on the "View Cart" button to continue.

The screenshot shows a web browser interface for a photography business. At the top, there is a navigation bar with links for Home, All My Photos, Search, About, Contact, and Wedding Information. The main content area features a large portrait of a young man with short brown hair, wearing a dark grey sweater, smiling against a background of autumn trees. Below the photo is a copyright notice: © 2012 | indbloom Photography. In the upper right corner, a dark notification box with a white checkmark icon contains the text: "11" x 14" Large Print has been added to the cart" and a "View Cart" button with a mouse cursor hovering over it. To the right of the main photo, there is a thumbnail gallery of 33 smaller versions of the same portrait, arranged in a grid. The gallery is titled "a of 33 photos" and includes "Thumbnails" and "Info" tabs.

9. This is the "Shopping Cart" view which shows all of the images added to your cart. Here we can change the paper type, color correction, color conversion, cropping, finish & coating, frames, and quantity or continue to check out. The best choice here is to click on the image itself. All of the other options will still be available on the next page.

10. Notice the "bar" above the image. Crop is set to center and color conversion is set to color. If you click on "black and white" or "sepia" the image will change to show your selections. Next we will crop the image by dragging the orange handles. Do this until the crop looks the way you want. Remember, you can always click on the "Reset" button and start over. In this case we will leave it color, and begin cropping.

11. Here we have cropped the image. Now we can proceed to other options or simply click on "Save and Close" in the upper right corner. In this case we will continue to "Mount and Frame".

The screenshot displays a photo printing software interface. At the top left, it says "11" x 14" Large Print" with "Info | Change" below it. A toolbar contains "Center", "FR", a color selection tool, a crop tool, a zoom tool, and "Reset". A yellow notification bar states: "Important parts of the image must be inside the inner Red line". The central image is a portrait of a young man with a red crop box. A watermark at the bottom of the image reads "© 2012 indbloom Photography". In the top right corner, there is a "Save and Close" button with a close icon. On the right side, a "Mount and Frame" panel is visible, featuring a preview of a framed print, a link to "Add one now...", and expandable sections for "Paper Type: E-Surface" (priced at 36.00), "Color Corrections: ON", and "Options". At the bottom right, the quantity is set to 1 and the total price is \$36.00. A small note at the bottom center states: "The watermark will not be printed".

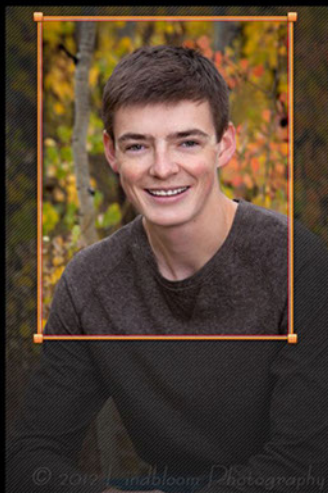

12. I recommend foam core mount for prints larger than 16x20, Double weight backboard for prints 8x10 to 16x20, and single weight backboard for 5x7s. In this case we will select the double weight backboard for our 11x14.
